

Environmental Policy

RATIONALE

To achieve and maintain a high standard of care for the natural environment in all the activities in which we engage.

POLICY

Tulla Drilling (TD) consistently monitors the effects of their Operations on the natural environment. TD will aim to preserve the natural environment and minimize any environmental impact as a direct result of TD activities.

TD will aim to achieve by;

- Identifying, managing and monitoring environmental risks,
- Seeking continued improvement in our environmental performance,
- Communicate to our workforce and aim to maintain the natural environment and
- Aim to meet environmental legislation and regulations.

NON COMPLIANCE

Employees who fail to comply with the TD Environmental Policy may be subject to disciplinary action.

EMPLOYEE RESPONSIBILITIES

- Be mindful of any activities that may cause harm to the natural environment
- Manage any environmental spills at the earliest to minimise any negative effect of the natural environment
- Report any issues that may have the potential to cause harm to the natural environment, flora or fauna

MANAGEMENT RESPONSIBILITIES

- Communicate the Environmental Policy to TD employees.
- Carryout regular workplace environmental inspections
- Audit and Monitor TD activities in order to maintain compliance with this Policy.
